

Animal Surrender Application

By filling out and submitting the animal surrender application, this DOES NOT guarantee Cherryland Humane Society (CHS) will be able to take in your pet(s). CHS is a no kill limited intake shelter, we are able to take in pets when space is available. Please be respectful of our intake process as we receive multiple animal surrender inquiries a day. Please allow staff up to 48 hours to process your application. We do require a \$50 surrender fee.
